The formal organization of the Jamestowne Society, at Jamestown Island on 14 May 1936, was the result of a vision by George Craghead Gregory who was the founder and the guiding spirit of the society.

The constitution adopted at the organization meeting provided that:

1. "All descendants of those who owned land or had domiciles in James Towne or on James Towne Island prior to 1700 shall be eligible for membership."
2. The objects of the society were: "To discover and record the names of all living descendants of those early settlers who made great sacrifices to establish our English speaking nation; and to unite these descendants to honor the memory of their settler ancestors, to record their deeds, and to do homage to the birthplace of Virginia and the Nation."

The organizational meeting was attended by: The Honorable Westmoreland Davis, former Governor of Virginia; Dr. William H. Parker; and Messrs. George C. Gregory, Richard Cunningham Wight, Charles S. Marshall, and William MacFarlane Jones. They elected Mr. George C. Gregory, Governor; The Honorable John Garland Pollard, former Governor of Virginia, Secretary of State; Mr. Miles Cary Johnston, Treasurer; Mr. Charles S. Marshall, Attorney General; and The Reverend Dr. Churchill G. Chamberlayne, Auditor General. They also elected as members of the Council: Dr. Richard Heath Dabney; The Honorable Westmoreland Davis; Dr. John Stewart Bryan; The Honorable John Rutherford; The Honorable John Garland Pollard; Dr. William H. Parker; and Messrs. Henry Watkins Ellerson, William MacFarlane Jones, John H. Guy, James Ambler Johnston, Lewis Catlett Williams, and Robert W. Daniel.

After the adjournment of the meeting members inspected the

interesting work of excavation on Jamestown Island which was being done by the United States Government.

Information available is to the effect that Mr. Gregory discussed the idea of such a society, with individuals who shared his interest in Jamestown, in the year 1935. There were several informal meetings in Richmond, at Mr. Gregory's office, of a limited number of persons, most of whom were residents of Richmond and vicinity.

In March 1936 Mr. Gregory wrote letters to several gentlemen, whom he knew to be eligible for membership in the proposed society, asking those addressed to become Foundation Members. A printed invitation form was also in use at about the same time.

The organization and early history of the Jamestowne Society are so closely connected with the life of Mr. George Craghead Gregory, that it is fitting to include biographical information of the Founder. Therefore, the memorial to Mr. Gregory written by Mr. Jere M. H. Willis, unanimously approved at the 14 November 1956 meeting of the Society in Richmond, is quoted. The memorial also expresses the admiration of the membership for the Founder.

MEMORIAL  
to  
E CRAGHEAD GREGORY

The Jamestowne Society has suffered an irreparable loss in the death of its founder and first governor, George Craghead Gregory, who died on August 25, 1956.

Mr. Gregory was born at Oak Grove in Granville County, North Carolina, on July 17, 1878, the son of Captain Archibald Hatchett Gregory, C.S.A., planter, and Lucy Jane Brodie Gregory.

He received his education at Henderson Academy and at the University of Virginia, from which last institution he was graduated in 1902 with the degree of Bachelor of Laws.

For twelve years he was engaged in the active practice of law in the City of Richmond, Virginia, being for the last six years of said period the senior partner of the law firm of Gregory and Boulware. He made a great contribution to the Bar of Virginia in two published works: Gregory's Forms and Forms of Common Law Declaration. While the latter book has been outmoded by the new and simplified procedures which have been adopted in Virginia, Gregory's Forms as amended and enlarged, still has a prominent place in the library of almost every practicing lawyer in this State, and is invaluable to the young practitioner.

In 1914 Mr. Gregory gave up the practice of law and devoted his exclusive time to the field of banking in which he had been for some time interested. He served as Trust Officer of the American National Bank, First Vice-President of American Trust, and later founded the Guaranty Trust Company of which he was President. He was chosen to represent the City of Richmond in its bid for the location of the regional Federal Reserve Bank, which is now an outstanding asset to the city, as a result of his foresight and efforts.

Mr. Gregory had a broad interest in public affairs and was instrumental in the erection of much needed bridges; in the laying out of new roads, and in the development of suburban sections of Richmond. His talents and services were freely given in civic enterprises and in the development of the religious life of his community.

Amidst all of his business activities and civic and public services Mr. Gregory found time to cultivate his special interest, which was research in early American history, especially centering his efforts on Jamestown, the first English settlement. He dug studiously into records and early maps, and himself went upon the ground and directed the excavations and explorations which established the true site of the colony and the location of many buildings long destroyed, but of great historic interest. He also pursued his hobbies of animal husbandry, farming, genealogy, and painting.

His interest in Jamestown led to the formation of the Jamestowne Society in 1936, and his devotion to this

organization never waned. He was not only the founder, but throughout his active life was the leading spirit of the Society.

Mr. Gregory was survived by his wife, Mrs. Constance Adela Heath Gregory, and by seven children, Mrs. George Winslow Pearson of Pasadena, California, Mrs. John Marshall Gephart of Wagoner, Oklahoma, Miss Sylvia Thayer Gregory of New York City, Mrs. Charles Williamson Wood, Jr., of Chesterfield County, Virginia; Thomas W. Gregory of Alaska, George Osborne Gregory, and the Rev. Edward Meeks Gregory of Richmond. The Rev. Edward Meeks Gregory has served as Governor of this Society.

All too little interest is shown today in the accomplishments of our hardy forebears who entered a savage wilderness and laid the foundations for our present civilization. In the ease and comfort of modern living we slip almost unconsciously into lassitude and forgetfulness of these folk of an earlier day, and fail in our duty to keep their lives and courage and achievements before the eyes of American youth. In a busy and varied and fruitful career Mr. Gregory found time and energy to unearth these things of the past and to form a Society which he hoped would carry on the work he has so devotedly started.

As we memorialize our founder and first governor with affectionate remembrance and with admiration and esteem may we at the same time dedicate ourselves to carrying on with vigor and effectiveness the Society which he founded. I believe this would be, in his opinion, the most fitting memorial of his life and the greatest tribute we could pay him.

Following organization in 1936, the Society continued to meet on Jamestown Island on the 14th of May in years 1937 through 1941. The number in attendance was usually about a dozen, or fewer, including guests. There were no significant developments during this time. The minutes reflect little more than the customary business sessions, including the election of officers.

The programs for the annual meetings in some of the early years of the Society were usually not stated in the minutes. We may assume that members and guests were very much interested in

the history of the first English settlement in America, and the excavations by archeologists on Jamestown Island. Mr. Gregory, the Founder of the Society, had long been absorbed in establishment of the location of the original settlement and had done considerable exploration on his own initiative, and at his expense, prior to the time of active interest by the National Park Service. He made substantial contributions to the knowledge of the settlement. The minutes refer to Mr. Gregory addressing the Society only in 1940, when he spoke on the growth and development of the Island from 1607 to 1624. It is reasonable to assume that those in attendance at the meetings listened with keen interest in his remarks on subjects relating to the history of James Town. The minutes of the Council for 1939 state that Mr. Gregory used a number of maps and charts, pertaining to the early settlement at James Town Island, in making an interesting and informative talk.

The Society's activities were substantially curtailed during the World War II years 1942 through 1945. The reduced activities resulted from travel difficulties and the greater urgency of other matters. The annual meetings were suspended during those years.

The annual meetings at Jamestown Island resumed in 1946, and at the meeting in that year Mr. Gregory offered an expression of sentiment which met with unanimous approval, to wit: "I never visit this place except with awe and reverence, with humility and thankfulness, with thoughts of what our ancestors suffered from hunger, plague, and death; yes, from the pangs of nation-birth, that future generations might live and prosper.

"May we meet in that spirit and in meditation."

The Founder served the Society as Governor for the years 1936 to 1947, except for two terms. Mr. Charles McIntosh Tunstall of Norfolk, served in that capacity in 1938-1939; and Mr. George P. Coleman, of Williamsburg, served for the 1940-1941 term.

At the annual meeting in 1947 Mr. Gregory, at his request, was not nominated for Governor and Mr. J. Ambler Johnston was elected to fill the office. Mr. Gregory was thanked for his long and useful services and the members insisted on his election to the Council.

Two proposed amendments to the constitution were considered at the 1947 meeting. The propositions concerned Article 3

which provided that: "No persons shall be eligible for office in the Society, or as members of the Council, except male descendants of Jamestown ancestors who occupied similar positions." The propositions were that ladies might hold office and all members be eligible to hold office regardless of whether their ancestors held similar office or offices. Both propositions were defeated. This was the first mention in the minutes of such proposed changes in the Constitution. Sentiment favoring these changes grew and they were subsequently adopted.

The Founder was a man with many fine attributes, however, he was reluctant to delegate or share responsibility in the direction of the affairs of the Jamestowne Society. According to information furnished by some of the Foundation Members, Mr. Gregory controlled the Society's activities, even when someone else was Governor, until his health reached the point where it was not possible for him to take an active interest in the conduct of its affairs. In the years 1949 and 1950 there were no annual meetings because Mr. Gregory was ill, and others were reluctant to act in the absence of his direction.

The Society held its annual meeting on May 14, 1951 on Jamestown Island and the minutes record only eight persons in attendance. Governor J. Ambler Johnston presided. The 1951 meeting was the second most notable one, being surpassed in importance only by the one at which the Society was organized. The membership present approved of a special meeting to consider significant changes in the Constitution.

Governor Johnston addressed the meeting and the substance of his remarks is recorded in the minutes. He very ably presented the case for amendment of the constitution. He pointed out that a limited number of members were eligible to hold office or be members of the Council. At that time only four family names on the roster were shown, by their applications for membership to have descended from a Governor of the Virginia Colony; five families were eligible to serve the Society as Treasurer and only two as Auditor General. Further, he said, "History does not belong to males alone."

Mr. Edward Meeks Gregory, son of the Founder, was elected Governor. A few months after his election, he learned that he would be absent from Virginia for an extended period of time attending Episcopal Theological School in Cambridge, Massachusetts. In order that the affairs of the Society might have prompt attention, Mr. Gregory appointed two Deputy Governors, namely,

Messrs. Charles Spencer Marshall and John H. Guy. The available records indicate that Mr. Marshall performed most of the duties of the Governor during the years 1951-1955.

A special meeting of the Society was held on 14 August 1951 at the Virginia House, Windsor Farms, Richmond, Virginia. A notice of the meeting, in the form of a letter, was sent to all members over the signature of Mr. Edward Meeks Gregory, Governor, in which reference was made to the regular meeting at Jamestown on 14 May 1951. The letter stated that the purpose of the special meeting was to consider and vote on proposed constitutional amendments. The Constitution as amended at that special meeting did not include any restrictions on eligibility to hold office but provided: "Any member over twenty-one years of age shall be eligible for any office in the Society, and shall be eligible for membership on the Council."

On 15 May 1955, the Society held its annual meeting on Jamestown Island, at which time plans were set in motion for participation in the 1957 Jamestown Celebration of the 350th year of its foundation. Mrs. Catesby Willis Stewart, of Fredericksburg was elected Governor. Her father, Benjamin Powell Willis, had served the Society as Secretary of State from 1937 until his death in 1946. Mrs. Stewart attended many of the early meetings of the Society with her father and she was especially well qualified to become its leader by reason of her knowledge of the Society's history, and her vision of how it could become a more meaningful organization.

Mrs. Stewart immediately began a program to increase membership through encouragement of relatives of those who previously had affiliated. The growth of the Society from approximately two hundred in 1955 to over eighteen hundred in 1970 is evidence of the success of her efforts. She was responsible for initiating semiannual luncheon meetings with interesting speakers, and she encouraged a schedule of addresses on the Colonial Governors of Virginia.

An important development during the administration of Mrs. Stewart was the employment of Mrs. W. Herbert Knowles as Registrar Genealogist, and Mrs. James R. Lindsay, who became Executive Secretary in 1959. These ladies have proven to be especially valuable in their respective positions; and through their enterprise they have very materially assisted in making the Society one of increasing significance.

The Society was incorporated under the laws of Virginia on 22 April 1958. The initial steps to achieve this were taken during Mrs. Stewart's term as Governor. The work connected with the incorporation was done by Mr. Jere M. H. Willis of Fredericksburg, brother of Mrs. Stewart. Mr. Willis was Treasurer of the Society at the time and later became Lieutenant Governor, and Governor.

Governors of the Society are privileged to wear the official medallion of that office. This medallion was ordered and executed during Mrs. Stewart's term of office and was first worn by her.

The high esteem in which the Society is held is due largely to the untiring efforts of Mrs. Stewart to make it more meaningful to those who share interest in the Jamestown Colony, its settlers and their descendants. Her substantial contributions are recognized by those who are acquainted with her endeavors.

Mrs. Stewart had great admiration for the Founder of the Society and had often sought his counsel about Society matters. She has paid especially high tribute to two others. One is Mr. Charles Spencer Marshall who served as Deputy Governor during the time when there was much doubt that the Society would survive, and the other is Mr. J. Ambler Johnston; both of whom "carried on manfully," said Mrs. Stewart. The important part played by Mr. Johnston was expressed by her in the statement that: "It would surely not have survived had it not been for Mr. Johnston who at that time and still today is the guiding spirit."

Mr. Richard Blackburn Tucker was elected Governor at the meeting in Richmond 16 November 1957. Ill health prevented him from completing his term of office, from which he resigned in February 1959. Mr. Jere M. H. Willis was elected on 16 May 1959 to fill the unexpired term. Mr. Tucker died 26 November 1959 and the Society adopted a resolution in tribute to its former Governor at its meeting on 14 May 1960.

On 14 November 1959 Mr. Willis was elected Governor and continued in office until November 1961. During his term of office there was considerable interest shown in the organization of Companies, which are composed of members of the Society in contiguous areas.

The Society celebrated its twenty-fifth anniversary on 13 May 1961 with activities at Jamestown Island and Williamsburg.

The Old Jamestown Church was the site of the first meeting, at which the Service of Morning Prayer was conducted by the Reverend Cotesworthy Pinckney Lewis, Rector of Bruton Parish, Williamsburg, and the Reverend Edward Meeks Gregory, son of the Founder, who was then Curate of St. Mark's Episcopal Church in Richmond. At this service the newly acquired flags of the Society were dedicated; the United States flag, the Commonwealth of Virginia flag, and the Society flag, which had only a short time before been designed and executed. The flags have been displayed since that time at the regular meetings.

The meeting at Jamestown adjourned to reassemble at the Williamsburg Lodge where, after luncheon, members and guests heard two very informative addresses. One speaker was Miss Jane Carson, Ph.D., historian of the staff of the Williamsburg Restoration, who presented a scholarly and informative address on "Captain Samuel Argall, Governor of Virginia 1617-1618." The other speaker was Mrs. S. Henry Jorg of Richmond whose address was entitled "A Tradition to Cherish" and dealt with the heraldic source and meaning of the Virginia Company's Coat of Arms, which emblazons the Jamestowne Society flag.

The first quarter of a century of the Jamestowne Society ended with the meeting on 13 May 1961. The Society has continued to attract the attention of an increasing number of people; and as a result, its membership has grown. The semiannual luncheon meetings, in Williamsburg in May and Richmond in November, have been attended by approximately two hundred and twenty-five members and guests, many of whom came from distant points.

#### JAMESTOWNE SOCIETY COMPANIES

The establishment of Companies of the Jamestowne Society was first mentioned in the minutes of the semi-annual meeting of 16 May 1958. The Chairman of the Membership Committee, Mrs. F. Kirk Perrow, Sr., reported efforts being made to establish Companies in the District of Columbia and in the States of Tennessee and California. It was at this meeting that provisions for the organization of state companies were approved by the membership.

The first Company of the Jamestowne Society was in Tennessee, which was the result of the organizational efforts of Mrs. Berry Boswell Brooks, and she served as the first Company Governor.

The Louisiana Company was organized under the leadership of Mrs. Sidney T. Frank who has served continuously as Company Governor from the date of its first meeting to the date of this publication.

Miss Cornelia M. Bowie was responsible for the establishment of the Washington and Northern Virginia Company, and she was its first Company Governor, and served in that capacity for several subsequent terms.

The formation of the California Company was the outgrowth of efforts of Colonel Benjamin Casey Allin III, however, he died a few days prior to the initial meeting in 1960. Mrs. Albert Clarence Ellis presided at the first meeting and was elected Company Governor to which office she has been reelected each year.
